

III. University College of the Cayman Islands Conference Paper Abstract

Member Julene Banks was contacted by UCCI and asked to present on the People Initiated Referendum discussion paper released by the Commission earlier this year. It was agreed that a member of the Commission would present two papers, both the Referendum paper and the Self-Determination paper. Both members are scheduled to be off island at the time of the conference in March 2012.

The Secretariat will reformat the People Initiated Referendum Paper to ensure it is the same as the other documents released by the Commission. Both papers will be forwarded to all members within the next few days for them to select the 250 word abstract they would wish for the Secretariat to forward to UCCI on their behalf. Member Wil Pineau is to forward to the Secretariat the information on what assistance, technical or otherwise, the UK is currently providing to the Cayman Islands.

IV. Research on Suspension of Notice on Bills

The research is ongoing into this topic but will be forwarded to all members in the next few days.
