	Sophia Harris	Member
	Dr. Christopher Williams	Member

SECRETARIAT MEMBERS PRESENT:

Deborah Bodden	Manager, Commissions Secretariat
Lise Hurlstone	Administrator/Analyst (for part)
Shari Welcome	Public Relations and Education Coordinator (for part)

1. Call to order

The meeting was called to order at 10:19am. The Chairman thanked all for attending.

2. Confirmation of Previous Minutes

Sophia Harris proposed and Christopher Williams seconded the minutes of 9 January 2020.

3. Matters Arising / Updates

a. CC's Explanatory Note on proposed Constitutional amendments

Members completed this Explanatory Note and it was submitted to His Excellency the Governor, the Honourable Premier, and the Honourable Leader of the Opposition on 17 February 2020. His Excellency acknowledged to the Chairman receipt of the Note. It was subsequently uploaded to the Commission's website and the Commission agreed no further action is needed at this time.

b. Curriculum changes in schools

The Chairman made initial contact with the Ministry of Education's representative for curriculum development who expressed an interest in working with the Commission to engrain the Constitution within the curriculum. The Chairman will continue these discussions and report back at the next meeting.

c. Correspondence with Celebrate Cayman

The Chairman wrote to the Chairman of Celebrate Cayman to:

1. request sight of the documents/exhibits gleaned by Celebrate Cayman from the National Archives (both here and in Jamaica) as they relate to the Constitution;
2. inform him that Dr. Williams is now a Member of the Commission and his history (and interest in this area); and
3. discuss the invitation from the Honourable Premier that the Commission work with Celebrate Cayman to create a permanent constitutional exhibit following the renaming of the George Town Hall to Constitution Hall.

No reply had been received from Celebrate Cayman and the Commission resolved to follow-up with the Chairman.

d. Children’s book educational project

Members received a copy of the proposed material that would potentially be used to create a book aimed at primary school students. The original project to work with a class at the Cayman Islands Further Education Centre (CIFEC) to glean artwork (both pictures and a video of the process) has not come to fruition. Members will review the material (which was also reviewed by David Bridgeman as a teacher) and the Secretariat is to take stock of what artwork we do have in order to consider the viability of revisiting the project for completion for July 2020.

e. History of the Cayman Islands Constitution

An original timeline created by the Constitutional Review Secretariat was updated by both a previous Commission and the current Chairman. It now includes references to the proposed 2020 constitutional amendments. The Secretariat will send the wording to Commission Members for review.

4. New Business

a. The CC’s Agenda for 2020

The Secretariat’s new Public Relations and Education Coordinator, Shari Welcome, was introduced and members discussed options for its 2020 agenda. It was agreed a communications strategy would be developed with consideration to:

- 1) a relevant dates calendar;
- 2) joint projects with the Human Rights Commission (HRC);
- 3) an educational book/project;
- 4) various creative projects;
- 5) special visits (promotion of knowledge) to schools (i.e. round table at UCCI to debate the Constitution);
- 6) presentations to teachers; and
- 7) radio appearances during Constitution month (July 2020).

5. Other Topical Matters Arising:

a. Speaker’s Leave of Absence

The Commission considered the constitutional provisions related to the Speaker. The Secretariat was asked to research other Overseas Territories (OT’s) constitutional provisions

for Speaker of the House (i.e. the appointment and vacating of office; and if possible any policies regarding “leave of absences”).

b. Constitutional Issues Arising in Recent Judgments

The recent judicial decision regarding the Port Referendum referenced the work of the Commission relating to people initiated referendums and it was agreed that this was an important acknowledgment of the work of the Commission. The Secretariat is currently updating the research on supplementary legislation anticipated by and/or referenced in the Constitution, with a view to this being presented to His Excellency the Governor, the Honourable Premier and the Honourable Leader of the Opposition. The Commission also discussed the judgement of the Cayman Islands Court of Appeal and the proposed implementation of legislation on civil unions. The Commission requested that the HRC’s last statement on civil unions be circulated to Members for review.

6. Any Other Business

a. Tracking Issues

The Commission resolved to adopt a mechanism to ‘track’ the on-going work of the commission with a view to identifying assigned responsibilities and to assisting the Secretariat in monitoring the progression of work and providing effective support.

7. Next Meeting

The next meeting will be scheduled during week of 20th April or 27th April at 9:30am. Members will be asked (via email) for their availability to attend.

8. Termination

The meeting was closed at 11:55am.
