**4. Outstanding Business**

I. UCCI conference paper

The Commission agreed that the subject of this paper will be *Self-Determination: Options for the Cayman Islands*. The goal of this paper is to produce an in-depth analysis of the advantages and disadvantages for the various options for constitutional advancement, including independence, free association and integration. The paper will include a brief history of the Federation of the West Indies and how the Cayman Islands achieved its existing constitutional status. The Commission agreed to draft a letter seeking the following information from the Governor's Office:

- 1) A list of the specific areas of assistance (diplomatic, security, economic, social, technical assistance etc.) that the United Kingdom (UK) provides to the Cayman Islands and the costs associated, if any;
- 2) The steps required by the UK if the people of the Cayman Islands decided to pursue any of the three options for self determination;

- 3) Any research documentation or reports that have been produced by either the UK or any of the OTs over the years relating to this subject.
- II. Arrangements for Cayman Brac district meeting / Correspondence with MLAs  
Member Julene Banks has still been unable to contact the MLA's in Cayman Brac and has asked that the Secretariat follow up on setting up this meeting. The proposed date is 27 October, 2011 from 7-8:30p or 7:30-9p at the Heritage House.
- III. Correspondence with Cabinet on Governance Structure tool / research  
The Secretariat was asked to draft a letter to the Cabinet Secretary as assigned at the last meeting of the Commission.
- IV. Annual Report  
The Commission members felt as though the Draft Annual Report prepared by the Secretariat did not contain enough information on the advancements made by and the needs of the other Commissions. The Secretariat was asked to e-mail each of the Chairmen and ask them to provide an update to the Commission for the purposes of their Annual Report. The update would cover the timeframe 1 October, 2010 – 30 September, 2011.
- V. Editing of Constitutional Booklets  
The Commission has concerns that the booklets edited by GIS have resulted in pertinent information being deleted. As such they would like to discuss the project with GIS again. It was suggested that they meet with the Head of GIS at their next meeting as she may be able to set the parameters out for what GIS can and cannot assist with. The Commission would like, in the interim to print 50 copies of the First Booklet that GIS formatted for them for the West Bay District Meeting on 13 October, 2011.
- VI. People Initiated Referendum paper  
The Commission has agreed to now release this paper and would like to do so at the West Bay District Meeting on 13 October, 2011. The Secretariat has been asked to update the figures of the Electoral Register and format the paper. The Commission is then requesting 50 copies of the said paper for distribution at the meeting. As an additional research project the Secretariat is being asked to research and present in an easy to read table format how other OT's handle this issue. Also to research legislation governing referendums in other jurisdictions to assist in making recommendations on draft legislation.
